RE: #43-023-001 Emerald Mine

Dear Mr. Daniels:

This is a request to amend our notice of intent, dated September 4, 1975, to include the following schedule for reseeding.

<u>Species</u>	<u>Rate/Acre</u>
Fourwing Salt Bush	2 lbs.
Winterfat	2 lbs.
Russian Wild Rye	5 lbs.
Indian Rice Grass	1 lb.
Big Rabbit Brush	2 lbs.
Yellow Sweet Clover	2 lbs.

We hope to complete our operations by early summer and could reseed the area at that time.

The operation has been dormant since November due to unfavorable assay results and further studies to determine the remaining useable clay.

We hope to remove a few hundred tons of material this spring and complete the project.

Sincerely,

FILTROL CORPORATION

Dennis C. Temple
Mining Manager
